22nd January 2025,
10.30am - 3.30pm
The Ivy Club, London

the learning loop

COLLABORATION & COMMUNITY

A community of learning leaders, collaborating and building connections to deepen our shared practice and insight. Together we spark new thinking that adds value to our organisations and talent.

Below are a few questions to aid your reflections ahead of our time together.

- What does 'diversity of thought' really look like in practice?
- How does your organisation foster high levels of collaboration? When is it unhelpful?
- What gets in the way of collaborating and valuing difference across your organisation?
- What would help you be more collaborative and value difference in your work?
