Your Guide

Investing in you 2026

the learning loop

COLLABORATION & COMMUNITY

A community of learning leaders, collaborating and building connections to deepen our shared practice and insight. Together we spark new thinking that adds value to our organisations and talent.

Resources and questions to reflect on

- What's the mood in your organisation right now?
- How does your culture encourage moments of happiness?
- Watch this video on procrastination – it made us smile – and we'd love to hear your thoughts. Focus in on how he communicates – although the topic is interesting too!
- Take a look at this HBR article – How the Busiest People Find Joy.
